To whom it may concern,

I have engaged the services of All Area Tree Service P/L to conduct Arborist work on my site.

Jason, Greg and their team undertook the work in a professional manner ensuring the safety of students, staff and each other. They were very approachable and easy to work with, also giving advice in the development of future plans to ensure our many trees are maintained effectively.

They advised us on a cost effective, efficient means to undertake the job. Arriving on time and not leaving until the agreed job was fully complete. They were flexible and able to work around the needs of the school on the day.

I highly recommend Jason, Greg and their team for their outstanding Arborist work.

Yours truly,

Mr Anthony Angel
